Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	In the unprecedented COVID-19 crisis, instead of the regular class room teaching, the institution had advised the faculties to take up online teaching through Zoom and Google Meet. However, the new scenario posed challenges in various sorts. Being a rural college, the students complained of poor network which was a major setback for the students as well as the teachers. Gradually, the institution provided the necessary facilities to the faculty, enabling them to record the classes and send them to the student groups which was formed class wise. Copies of the all the study materials were submitted to the library, in order to help the students who were unable to access them online. Videos were prepared and uploaded in the YouTube for the benefit of the students. In addition to all this, webinars and e-quizz were conducted to involve the students in the learning activities. Contact classes were conducted on shift basis to address and clarify the doubts of the students regarding the syllabus covered. In these contact classes we strictly followed the SOP guidelines issued by the Government and the University. Though the attendance for these contact classes were very less in the initial days, the strength improved gradually. Nearly, 80% of the students attended on a regular basis.		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0		
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
Swayam	0	0	0
5. No. of courses developed and available online on Swayam platform by your institution faculty	0
